Important: U.S. 40 Reconstruction Project April 12-18th, 2010

Update since last email:

- Monday 4/12, crews **drill for new signals** in the intersections of 11th, 5th and 3rd streets. Northernmost lane of U.S. 40 is closed. Right turns allowed from the left side westbound lane.
- **Overnight paving** begins Tuesday on Phase 1 & demo on Phase II, closing the north side of Lincoln Ave. as shown on the map above.
- **Left turns** off Lincoln Ave. toward Yampa Street at 5th, 6th and 9th streets only
- Lefts toward off Lincoln Ave. toward Oak Street at 5th, 4th and 3rd streets only
- **Work Zone crosswalks** are near 7th, 9th & 11th streets-watch for tall blue flags
- No parking along Lincoln Ave. from 6th-13ths streets-**plenty of parking** on side streets and in nearby lots.

Travel Tips:

- 1) Traffic will flow in one lane in each direction on U.S. 40/Lincoln Ave. through the work zone (with some limited overnight Lincoln Ave. closures during paving beginning 4/13.)
- 2) Motorists are being encouraged to make their left turns outside of downtown in an effort to increase traffic flows through Old Town.
- 3) To reduce the number of vehicle trips through town, parents are being encouraged to have their children take school buses or to carpool.
- 4) Old Town workers are being encouraged to park in outlying lots and walk or take free shuttle buses to work, in order to free up downtown parking for customers.
- 5) City buses will continue to operate along Lincoln Ave. during construction.
- 6) Cyclists should continue to use bike lanes provided along Oak and Yampa streets and plan to cross the Lincoln Ave. work zone at designated pedestrian crossings (well marked)
- 7) CDOT has a wide load restriction (over 10 feet) on U.S. 40 throughout the project.
